Pursuant to Presidential Policy Directive 21 (PPD-21) and Michigan Executive Order No. 2020-21, Standard Electric Company and the Wittock Supply, Goshen, Ferguson and Graham Motor and Generator divisions are critical infrastructure suppliers to the, Transportation/Logistics, defense, chemical, energy, water/wastewater, healthcare, food and agriculture industries designated by the Cybersecurity and Infrastructure Security Agency (CISA) of the Department of Homeland Security whose assets, systems, and networks, whether physical or virtual, are considered so vital to the U.S. that their incapacitation or destruction would have a debilitating effect on security, national economic security, national public health or safety, or any combination thereof. For questions, email: [CISA.CAT@cisa.dhs.gov](mailto:CISA.CAT@cisa.dhs.gov).

As such, Standard Electric Company and its divisions are “critical infrastructure industry” of the Transportation/Logistics, defense, chemical, energy, water/wastewater, healthcare, food and agriculture industries and should be considered exempt from local restrictions such as curfews, shelter-in-place orders, and other restrictions.

Standard Electric Company, Wittock Supply, Goshen Electric, Ferguson Supply and Graham Motor are open for business adhering to all previous health and safety guidelines as issued by government and company management.
