EXTECH®

MAINTAIN HEALTH & SAFETY FOR LESS

VFM200, 407732, SDL400, PH90

EXTECH TEST & MEASUREMENT	
Part Number	**Promo Price**
PH90	$ 87.99
SDL100	$ 295.99
CO250	$ 327.99
VFM200	$ 272.79
SDL600	$ 503.20
407732-KIT	$ 395.99
LT300	$ 158.39
SDL400	$ 252.79

SAVE 20% ON HEALTH AND SAFETY INSTRUMENTS FROM EXTECH

Water Quality:

Monitor the quality of your drinking water, or anywhere from swimming pools to aquariums.

PH90: pH Water Quality Meter — Measures pH in liquids, semi-solids, and solids

SDL100: All-in-One pH/ORP (Oxidation Reduction Potential)/Temperature Meter & Datalogger

Air Quality:

Screen for potential indoor air pollutants to determine if your air is free of select dangerous contaminants.

CO250: Portable Indoor Air Quality Meter — Measures CO_2, Temperature and Humidity

VFM200: VOC/Formaldehyde Meter — Measures Volatile Organic Compounds and CH_2O (HCHO)

Sound:

Analyze sound levels for noise ordinances, machines/engines, hearing conservation and environmental programs.

SDL600: High Accuracy Sound Level Meter/Datalogger with SD Card

407732-KIT: Sound Meter Kit with Calibration and Carrying Case

Light:

Evaluate light intensity/quality in schools, public buildings, workplaces, and greenhouses with these general-purpose lux meters.

LT300: Light Meter with Digital and Analog Display of Light Levels

SDL400: Wide Range Light Meter/Datalogger with SD Card
